

Document Title:	Creation of <u>Contract Release / Contract Voucher (CV) in RedRock System</u>
Document Number:	SCD-PSP-PRT-WI-019
Revision Number:	01
Prepared by:	<u>Mary Ann Arao – Manager, Supplier Relationship Management & Quality Management System</u>
Reviewed by:	<u>Marjorie Legaspi – Assistant Manager, Data, Systems and Analytics</u>
Approved by :	<u>Mary Flor Bonifacio – Senior Manager, Supply Chain Business Support</u>
Effectivity Date:	01 April 2023

1.0 REFERENCE GUIDELINE: Source to Procure, SCD-PSP-PRT-OP-001

2.0 RESPONSIBILITY

2.1 Procurement

2.1.1 Provides BU all the necessary information with the creation of Contract Release / Contract Voucher (CV) in the RedRock System.

2.1.2 Sends the Bid Tabulation Template and informs BU of the inclusion of Value added Tax (VAT) in their purchases

2.2 Business Unit (BU)

2.2.1 Coordinates with Procurement whenever necessary in the conduct of below procedures.

2.2.2 Aligns action based on provisions / procedures detailed in this document.

3.0 PROCEDURE DETAILS

3.1 BU to seek email confirmation from Procurement for the following information:

3.1.1 BPO name or PR number

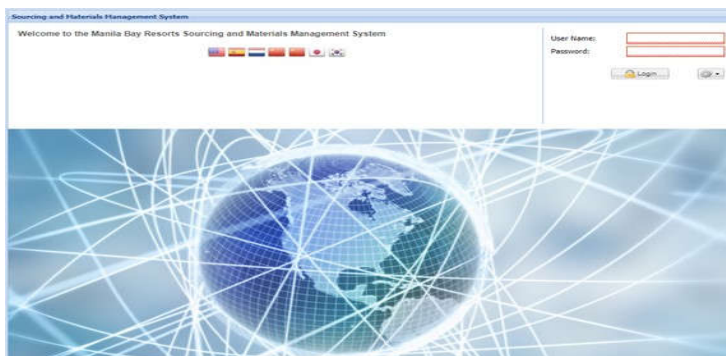

- If used by single or multiple BU's
- If active, proceed to 3.2
- If not active, wait for the activation email

3.1.2 Items in the BPO (Generic or Non-Generic)

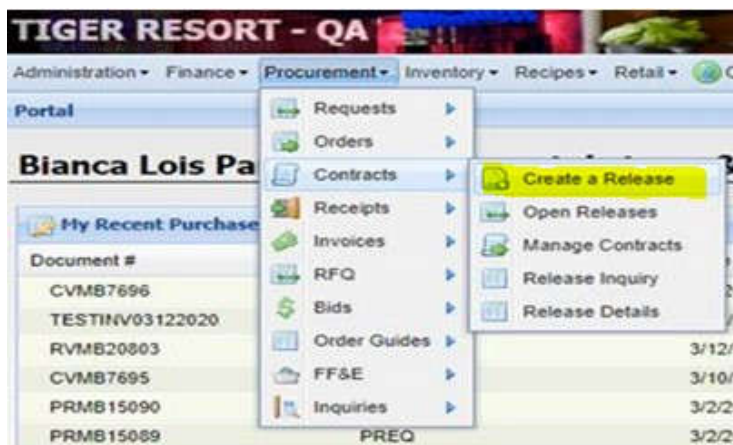

3.1.2.1 Generic Items – codes that are named only by their basic product type, and its prices varies based on the approved Bid Tabulation Template. These codes will not have prices uploaded in the system, thus cost will be manually encoded based on the approved Bid Tab Template upon raising the PR, (i.e., Service Repair, Advance Deposit, etc.)

3.1.2.2 Non-Generic Items – codes with specific or detailed description, have a unique price and the Bid Tabulation Template is uploaded in the system. When raising the PR, price is automatically indicated in the item code (i.e., B10A000023 Beer, San Miguel Super Dry 24/330ML/CS)

3.2 Log in to RedRock System

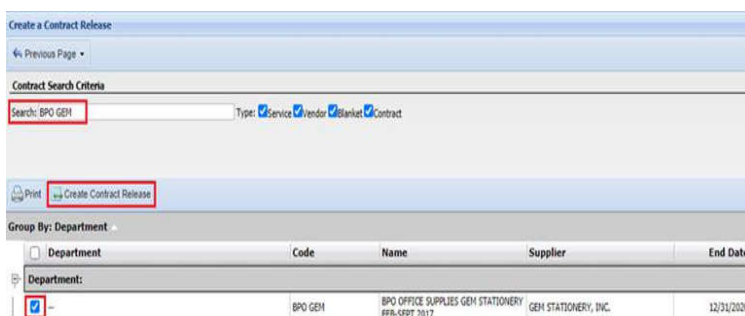

3.3 Go to Procurement > Contracts > Create a Release

3.4 Search for the BPO Name or PR No.

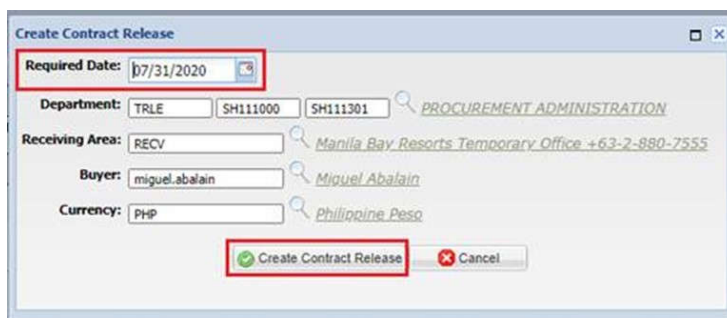

3.5 Once found, tick the BPO name or PR NO and click “Create Contract Release”

3.6 Set first the following, then click the “Create Contract Release”

3.6.1 **Required Date** – to follow the agreed lead time from the Bid Tabulation Template / Quotation.

3.6.2 **Department** – to indicate especially for BPO used by multiple Business Units.

3.7 Search for the Item Code/s and specify the quantity needed for each item/s.

3.8 Specify in the Quick Notes portion the **Delivery Location** and **Contact Person**, then click “**UPDATE**” button to save the document.

3.16 In case/s that Procurement has informed the BU of the need to add Value Added Tax (VAT) in the CV, BU must assess the type of application to use:

3.16.1 Add through Global Terms – this is used if the VAT is to be applied to all the line items in the Contract Release or CVMB.

3.16.2 Add through Line Terms – this is used if the VAT is for a specific line item only.

3.17 If to add through Global Terms, BU to do the following:

3.17.1 Hit “Global Terms”, and a screen will pop-up.

Details | Document Overrides and Preferences | Terms and Conditions | Approval Summary | Attachments

Items | Delete Line(s) | Line Terms | **Global Terms** | Line Defaults

This tab displays the Line Items associated with this Contract Release. Changes to the lines will be saved along with the those items and pressing Delete Selected

Search:

☐	Line #	Item #	Order Qty	Unit
☐	1	G20A000468	200	PACKET
☐	2	G20A000469	100	PACKET

3.17.2 Break-Down basis should be “Line”, then hit Search button.
