

Document Title:	Raising and Submission of Bid Tabulation Template
Document Number:	SCD-PSP-PRT-WI-020
Revision Number:	05
Prepared by:	<u>Bianca Lois Paras – Officer, Supply Chain Data and Analytics</u>
Reviewed by:	<u>Frederick Zulueta – Manager, Services, Procurement and Strategic Planning</u>
Approved by:	<u>Mary Ann Arao – Manager, Supplier Relationship Management and Quality Management Systems</u>
Effectivity Date:	01-Aug-2023

1. REFERENCE SOP or GUIDELINE:

- 1.1 Source to Procure (SCD-PSP-PRT-OP-001)
- 1.2 Bidding & Negotiation Process (SCD-PSP-PRT-GL-001)

2. RESPONSIBILITY:

2.1 Requestor / Business Unit (BU):

- 2.1.1 If and when applicable, Business Unit (BU) is responsible for providing DP Ringi reference or advise that a consolidated Ringi will be raised when prompted.

2.2 Procurement:

- 2.2.1 Populates the Bid Tabulation template using information from Supplier bids, negotiations and bid evaluation criteria, as applicable.

3. PROCEDURE DETAILS:

3.1 Procurement to fill out required information at the latest approved Bid Tabulation template header as follows:

- 3.1.1 Bid Category: Provide a short description of the Project / requirement
- 3.1.2 Requesting Department: Indicate the BU Division
- 3.1.3 Cost Center Code / Name: Indicate the Cost Center Code (if known or available), or the BU Department Name
- 3.1.4 Sourcing Request Form (SRF) and Ringi Reference Number (if applicable)
- 3.1.5 Tick the appropriate box for Supplier type in terms of location (i.e., Local or Foreign)
- 3.1.6 Tick the appropriate box for type of Procurement method (i.e., Procurement Bidding, Closed Bidding, E-Bidding, Single Sourcing or Direct BU Purchase)
- 3.1.7 Tick the appropriate box for the Award method (i.e., PO, Blanket Purchase Order (BPO), Contract or Project Management Instruction (PMI))

3.2 Procurement to fill out applicable information required in the Bid Tabulation template as follows:

- 3.2.1 Redrock Item Code: Refer to Item Master Review and Processing (SCD-BPT-SYS-WI-003), if applicable. Indicate generic item code, New Item (if not yet available) or N/A (for non-PO only).
- 3.2.2 Item Name and Description: Full description of the product/service is required. If the item is already in Redrock, indicate the exact description as used in the system.

- 3.2.3 Photo: Insert photo of the product, as applicable.
- 3.2.4 Qty: Indicate the count of the goods / service required.
- 3.2.5 UoM: Unit of Measure. Indicate how the quantity is measured.
- 3.2.6 Last System Price: Indicate the latest price available in the system, as applicable.
- 3.2.7 Tick the Savings Declaration Reference (i.e. Current Spend or Initial Lowest Compliant Bid) and indicate the Unit Cost and Extended Cost.
- 3.2.8 Recommended Award: Indicate the Unit Cost, Extended Cost and Supplier if recommended for Split-award only.
- 3.2.9 Supplier Bid Columns:
 - 3.2.9.1 Supplier Name: Indicate complete vendor name.
 - 3.2.9.2 Unit Cost: Used if Cost is not in PHP, as applicable.
 - 3.2.9.3 Extended Cost: Used for computation of Unit Cost (if not PHP) x Qty, as applicable.
 - 3.2.9.4 Converted Unit Cost: Computed using Unit Cost (if not PHP) x Conversion Rate.
 - 3.2.9.5 Extended Cost: Computed using Converted Unit Cost x Qty.
- 3.2.10 Grand Total: Computed based on the total Vat exclusive Bid Amount of Supplier.
- 3.2.11 Foreign Exchange Info:
 - 3.2.11.1 Conversion Rate: Indicate the rate as published by BSP on their website (reference: <https://www.bsp.gov.ph/SitePages/Statistics/ExchangeRate.aspx>). This applies only for non-PHP denominated transactions.
 - 3.2.11.2 Date: Date when the conversion rate was obtained / published.
- 3.2.12 Logistics Cost / Contractor's All Risk Insurance (CARI) Premium: Indicate costs from inputs provided by the Logistics team or computed cost for CARI Premium, when applicable.
- 3.2.13 Acquisition Cost: Computed based on the Grand Total amount that is exclusive of vat and Logistics Cost / CARI Premium cost.
- 3.2.14 Total Payable to Supplier: Computed based on the Grand Total amount and applicable Vat.
- 3.2.15 Total Cost of Acquisition (TCA): Computed based on the Total Payable to Supplier and the Logistics cost / CARI Premium, as applicable.
- 3.2.16 Overall Rating / Technical Evaluation: Indicate total commercial and Technical rating or Technical Evaluation result only as applicable.
- 3.2.17 Regulatory Compliance: Indicate Accreditation status and special certification or permits (i.e. Accredited with PCAB / PAGCOR Registration / DOLE)
- 3.2.18 Terms and Conditions:
 - 3.2.18.1 Pricing Validity: Indicate the expiry date of the vendor pricing.
 - 3.2.18.2 Delivery Leadtime: Indicate delivery or project completion commitment, as applicable.
 - 3.2.18.3 Payment Terms: Indicate agreed payment terms (i.e., Net 30 days, etc.)
 - 3.2.18.4 Warranty: Indicate final / negotiated warranty period coverage, if applicable.
 - 3.2.18.5 Incoterms: Indicate negotiated incoterms (i.e., DAP, etc.)
 - 3.2.18.6 Bonds and Insurances: Indicate required bonds and insurance as aligned with Risk Management Team.
 - 3.2.18.7 VAT: Indicate through choosing among the dropdown list if Vat Inclusive, Vat Exclusive, Vat Exempted, as applicable.
- 3.2.19 Recommendation:
 - 3.2.19.1 Indicate the details of recommendation based on the following:
 - Supplier: Details such as accreditation status (accredited / ongoing accreditation), exclusive or sole distributor of the product or service required (as applicable), etc.
 - Price: Declare that cost is final and negotiated giving detail on initial bid and final / negotiated price.
 - Savings: Declare savings generated from negotiations (refer to SCD-PSP-PRT-GL-003, Procurement Savings Declaration)

- Award method: Provide justification on the appropriate method of awarding to Supplier/s (i.e., PO, Contract, etc.).
- 3.2.20 Purpose of the Purchase: Short description of the reason of the purchase.
- 3.2.21 Remarks: Short description of the project and any additional information. (i.e., engagement period, bidding history, etc.)
- 3.2.22 **Split Award Recommendation or Award Summary: Reflects the item count and recommended award cost per supplier with VAT, as applicable.**
